

DESIGN EXCHANGE
PROMOTING THE VALUE OF CANADIAN DESIGN

2006 International Speaker Series

In 2006 the Design Exchange introduces an International Speaker Series with the theme of “Homes Around the World” to the design community and general public. The series will be held at the Design Exchange throughout 2006 and will be delivered by internationally based and world-renowned designers and researchers. As Canada’s centre for design research and education, our goal is to host lectures that involve diverse opinion, insight and fascination discussion revolving around design. “Homes Around the World” topics include dream home, sustainable home, universal home, social housing and more.
